

# MURDOKU

## A Walk in the Park

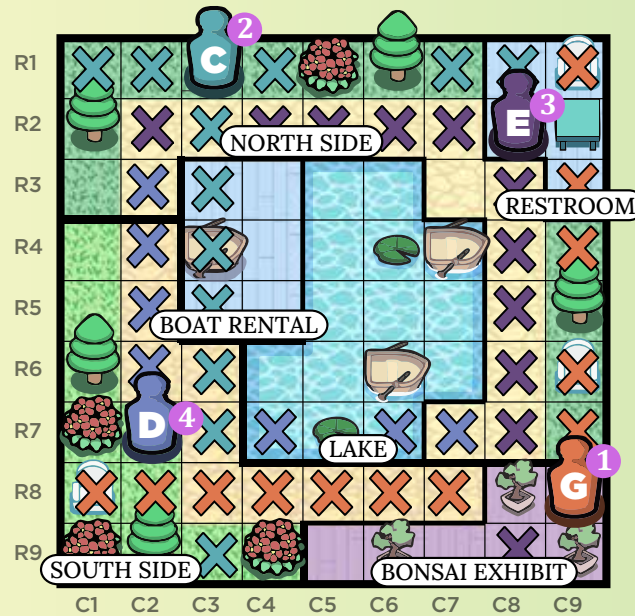

difficulty: easy

The murderer has been caught!

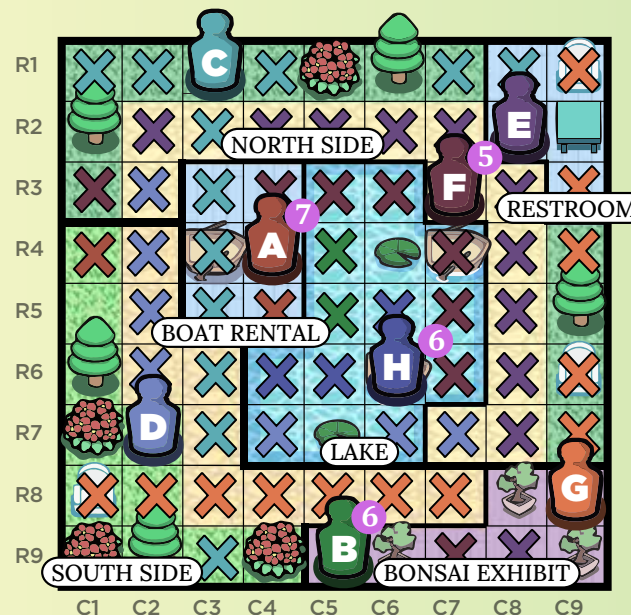

Here's where every  
everyone was.

# SOLUTION PAGE

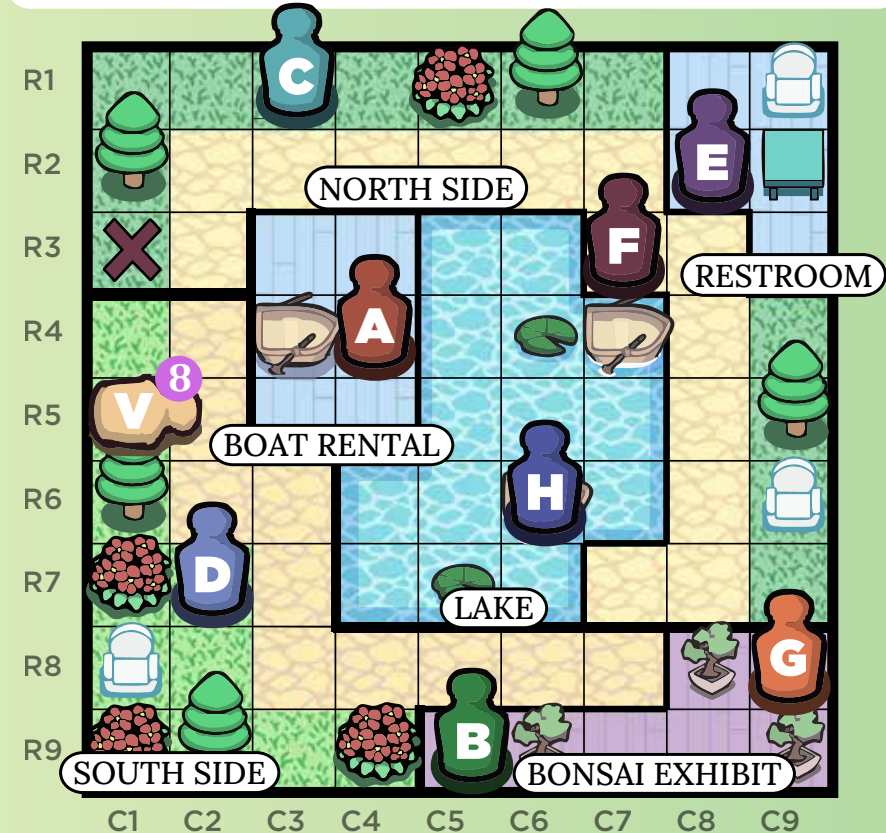

1. B is in the bottom row, R9. G, in the Bonsai Exhibit, can then only be in R8C9.
2. This isolates C on the last chair.
3. This isolates E on the last Restroom square.
4. This isolates D on the last square beside some flowers.

5. This isolates F on the last path square.
6. This isolates H on the last boat, and B in the last R9 square.
7. This isolates A on the last square beside a boat.
8. This isolates V in the last remaining square. V is alone with D on the South Side, Daphne is the murderer!

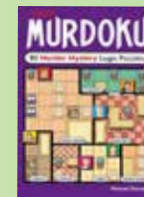

8. This isolates V in the last remaining square. V is alone with D on the South Side, Daphne is the murderer!

The murderer is...  
*Daphne*
